

Children's Program: For children 5 – 12 years old of registered paid attendees.

A frog can grow up to weigh how many pounds? Frogs have ears that come in different sizes? Wait a minute...frogs don't drink water!?

Hop on in and join the fun as we discover the answers to these “froggy” facts and so much more! Find out what these amphibious friends can teach us about God and His amazing creations, how much He cares for us, and that He uniquely created us and equips us for a specific and special purpose! Using interactive visuals, songs, games, skits, and plenty of scripture, find out how indeed we ALL can be F.R.O.G.s and “Fully Rely on God!”

Morning Session: “Created to Be Uniquely Me”

Discover the diversity of God's awesome creations...and that includes us! Topics covered in this session include how God knows us inside and out, how He created us for a special purpose and, because of Jesus, we are a new creation.

Afternoon Session: “A Frog's Life for Me”

When a bunch of frogs get together, something amazing is formed. When a bunch of boys and girls who love and follow the Lord get together, something even *greater* occurs! Come and find out how God equips us to do great things for His kingdom. And since God gives us exactly what we need, there's no need to fear....just F.R.O.G.!

About the Children's Program Presenter

Danielle Ingram is an enthusiastic teacher who is passionate about serving God and passionate about children. She has worked with hundreds of children of various ages for almost 20 years and in children's ministry for almost a decade. Through all of her interactions and lessons, Danielle's greatest desire is to see children grow strong in their faith and for them to realize that God's plan for their lives doesn't start when they become an adult, but already started *before* they were born...and continues each and every day!

We pray that each child who attends this year's Children's Program will walk away with a deeper love and appreciation for the Lord Jesus Christ and a stronger desire to live a life of service for Him. If you have questions about the Children's Program, please send an email to ChildrensProgram@enochnj.org

Children's Program Session Times and Pricing

Morning Session - 10:00am - 12:00pm - \$10 for the first two children, \$5 for each child after that.

Afternoon Session - 1:15pm - 3:15pm - \$10 for the first two children, \$5 for each child after that.

Children's Program pre-registration is done either by **online** registration or via **postal mail**.

Again this year we have combined our Adult registration to include the Children's Program. You can register yourself and your children all at one time.

When you register online, you will receive your confirmation email for the entire registration OR you can print out the form, complete it and mail it with your check (made out to **ENOCH of NJ**) to:

ENOCH of NJ
Convention Registrar
c/o 810 Route 202/206 North
Bridgewater, NJ 08807

Important Items to Note:

A parent/guardian must drop off their child(ren) for the workshops.

A parent/guardian must stay at the conference facility at all times while their child(ren) are in a Children's Program Workshop.

A parent/guardian must pick up their child(ren) immediately after each session.
